**Public expenditure statistical analyses 2011** Great Britain: H.M. Treasury 2011-07-13 PESA provides a range of information about public spending using two Treasury-defined frameworks: budgeting and expenditure on services. The budgeting framework provides information on central government departmental budgets, which are the aggregates used by the Government to plan and control expenditure. It covers departmental own spending as well as support to local government and public corporations. The expenditure on services framework is used for statistical analysis. It is based on national accounts definitions and covers spending by the whole of the public sector.
