[CONTRATTI COMMERCIALI VOL. II - GUIDA PRATICA PER PROFESSIONISTI E AZIENDE](#) F. Ciaccafava 2013-06-06T00:00:00+02:00 Guida pratica per professionisti e aziende, opera in due volumi, si propone di

affrontare in modo innovativo gli istituti e le connesse questioni che si agitano all'interno della tradizionale categoria dei contratti di impresa. L'impostazione adottata, infatti, pur nel diverso timbro stilistico che contraddistingue l'apporto dei singoli autori, riflette una visione comune che caratterizza ed avvolge ognuna delle singole figure contrattuali oggetto di indagine: l'abbandono di registri espositivi ancorati a rigidi ed ingessati schemi teorici e l'apertura ad una ricostruzione in chiave critica dei singoli istituti contrattuali, esposti e rivisitati alla luce della decisiva e determinante affermazione del diritto vivente. In questo volume: Mandato, Agenzia, Mediazione, Affitto d'azienda, Preliminare.
