Union of International Associations 2012-06 The  
Yearbook of International Organizations provides  
the most extensive coverage of non-profit  
international organizations currently available.

Detailed profiles of international non-governmental

(NGO) and intergovernmental organizations (IGO),  
collected and documented by the Union of  
International Associations, can be found here. In  
addition to the history, aims and activities of  
international organizations, with their events,  
publications, and contact details, the volumes of the  
Yearbook include networks between associations,  
biographies of key people involved and extensive  
statistical data. Volume 1 (A and B) covers  
international organizations throughout the world,  
comprising their aims, activities and events. This  
includes names (in English, French and, where  
available, other languages), abbreviations and  
descriptions of over 34,000 not-for-profit  
organizations currently active in every field of  
human endeavor, as well as references to associated  
organizations, whose goals cross all economic,  
political and geographical borders, offering an  
insight into new, productive relationships. Volume  
1 also allows quick and easy cross-referencing from  
volumes 2, 3, 4, and 6.
