The Law Reports of the Special Court for Sierra Leone Charles Chernor Jalloh 2015-12-14 This volume, which consists of three books and a CD-ROM and is edited by two legal experts on the Sierra Leone court, presents, for the first time in a single place, a comprehensive collection of all the interlocutory decisions and final trial and appeals judgments issued by the court in the case Prosecutor v. Charles Ghankay Taylor. The Taylor case is the jewel in the crown of the SCSL, as it was the first ever trial and conviction of a former African head of state for crimes committed in a neighboring state. It is also one of a handful of such significant cases in international criminal law.

L'Impero romano. I Santo Mazzarino

2014-10-02T00:00:00+02:00 «L'Impero romano, lungi dall'essere la roccaforte della conservazione, è piuttosto l'immagine della disgregazione di un mondo, la storia della classicità che si disfa e muore: il fatto sociologico più rilevante nella storia della nostra cultura.» In quest'opera, Santo Mazzarino affronta i grandi temi della civiltà occidentale, dal saeculum Augustum alla fondazione degli Stati romano-barbarici nel V secolo d.C., in una sintesi che salda la storia dell'Impero alla storia della Chiesa cristiana. Il racconto della cultura romana, dell'economia, della religione e la storia politica e militare si intrecciano in questa organica e brillante narrazione dell'apogeo e della lunga crisi del mondo romano. Questo straordinario classico della storia antica è firmato dal più autorevole dei suoi studiosi.
