Between Ally and Partner Chae-ho Chŏng 2008 Definitive study on China's relations with the Korean peninsula since the 1970's, concentrating on the bourgeoisie relationship between the Chinese and South Korean governments, societies, and business communities.

Unhappy Hours Kathryn Marie Graham 2008 This book is Pan American Health Organization's latest contribution in the effort to better understand partner violence and, in so doing, find more effective interventions to right this wrong. The book explores the relationship between alcohol consumption and partner violence gathering information from both the aggressor's and the victim's perspective. It brings to light evidence of alcohol's impact on partner aggression from 10 countries in the Americas (Argentina, Belize, Brazil, Canada, Costa Rica, Mexico, Nicaragua, Peru, Uruguay, and the United States), and represents an unprecedented effort to collect and analyse information from the general population that can be compared across countries. Despite wide differences between countries and cultures, there are common characteristics and trends in the relationship between alcohol and partner violence. This publication will be of interest to the academic and research communities, health promoters, health professionals, communicators, ministries of public health, and the victims of partner aggression.

Silent Partner: The Graphic Novel Jonathan Kellerman 2012-02-28 The first graphic novel adaptation from master of psychological suspense Jonathan Kellerman brings a stunning new visual edge to the classic New York Times bestseller Silent Partner—a “harrowing tale of murder and manipulation” (The Plain Dealer) that “hits the reader right between the eyes” (Los Angeles Times Book Review). Alex Delaware is struggling to keep his relationship with girlfriend Robin Castagna alive when a beautiful face from the past suddenly steps back into his life. Sharon Ransom was Alex's lover back in the day—until her mind games and increasingly erratic behavior drove them apart. Now Sharon tries to rekindle old feelings and seek his help with some new troubles. Alex turns her away—a decision he bitterly regrets when Sharon ends up dead the next day. The official ruling is suicide, but for Alex the case won't be closed until he finds out what happened. Driven by guilt and grief, he plunges deep into the territory he knows best—where dark secrets, dangerous fears, and twisted needs prey on hearts and minds. With the aid of his trusted friend, homicide cop Milo Sturgis, Alex traces Sharon's fatal path through a world of Hollywood high life riddled with scandal, corruption, and blood—where innocence and lives are easily lost. Scripted by Ande Parks, author of the acclaimed graphic novels Union Station and Capote in Kansas, and illustrated by Marvel and DC comics veteran Michael Gaydos, Silent Partner captures Jonathan Kellerman's trademark blend of crime drama and psychodrama with noirish style and eye-catching, page-turning intensity. *The Structure of Digital Partner Choice* Andreas Schmitz 2016-11-01 This work approaches the modern phenomenon of online dating, examining the ways people make use of its technical and social potential. In particular, the users' mate preferences, choices, strategies, and interactions are analyzed using the innovative method of click-stream observations and web-questionnaire data. For the purpose of these analyses, two major theories are used – an explicit theory of individual mate choice, and the more general relational theory developed by Pierre Bourdieu, which helps to highlight the social structures both underlying and resulting from mating online. Results show that online dating is not a partner marker free from social structure, but that the traditional social conditions found offline are also reproduced in this virtual setting. In contrast to the picture drawn by media discourse and advertising, online dating represents a partner market which fulfills the promise of happiness in a socially differential way.

The Rehabilitation of Partner-Violent Men Erica Bowen 2011-05-23 Drawing on an extensive body of literature, The Rehabilitation of Partner-Violent Men presents an historical account of the policy changes that have led to rehabilitation programmes for male perpetrators of intimate partner violence within the criminal justice system. Presents a review of the current state of male partner-violence theory and related intervention programmes in the UK Draws on both national and international literature within the field Provides an overview of the theoretical foundation behind current approaches to the rehabilitation of partner-violent men Offers an appraisal of the effectiveness of current practices and directions for future advances in intervention and evaluation science

Mijn partner wordt dement Sabya van Elswijk 2012-06-22 Nederland telt 250.000 mensen met dementie, waarvan er 190.000 thuis wonen. Er zijn 1,5 miljoen mensen die dagelijks zorgen voor hun dementerende partner, ouder of familielid. Zij worden regelmatig geconfronteerd met de vraag: wat kan ik doen? Omdat we allemaal ouder worden, neemt het aantal dementiepatiënten toe. Voor de patiënt is dement worden een angstig gevoel. Hij verliest de grip op zijn eigen gedachten en omgeving. Als familie of vriend voelt u zich vaak machteloos. Alles lijkt te veranderen, zonder dat u er vat op heeft. En met een steeds meer terugtrekkende overheid ligt de zorg almaar meer bij de familie. Mijn partner wordt dement is een praktische gids die familie helpt om de dementerende mens thuis te verzorgen. Het biedt informatie over het dementieproces en wat er nog gaat gebeuren, praktische tips om uw leven samen met uw partner makkelijker te maken en oefeningen om u te helpen om te gaan met uw partner. Helder wordt ook op welk moment de patiënt beter naar een verzorgings- of verpleeghuis kan gaan. Een lastig moment voor de familie, omdat er altijd, zelfs tegen beter weten in, hoop blijft op verbetering. Sabya van Elswijk legt uit aan welke eisen een verzorgings- en verpleeghuis dient te voldoen, zodat u in staat bent een passend verblijf te zoeken.

22 Things a Woman with Asperger's Syndrome Wants Her Partner to Know Rudy Simone 2012-03-15 Rudy Simone covers 22 common areas of confusion for someone dating a female with AS and includes advice from her own experience and from other partners in real relationships. She talks with humour and honesty about the quirks and sensitivities that you may come across when getting to know your partner. All the pivotal relationship landmarks are discussed, including the first date, sex, and even having children. This entertaining and easy-to-read book will be ideal for anyone dating, or in a relationship with, an AS female. Women with AS themselves, and their families and friends, will also enjoy the book and find it useful. Counsellors and other professionals working with women with AS will find the insight offered extremely enlightening.

Beleving van niet-werken M. P. M. de Goede 1988

Your exclusive instant access details can be found in your book.

MA Versus Alliances: The Impact of Partner-specific Alliance Experience on Governance Choice Julia Frehse 2012-04 When companies decide upon a strategy to achieve and sustain growth, they can choose between different options to reach this goal. If external growth is chosen, alliances and acquisitions are typically considered alternative governance structures that involve cooperative efforts on the inter-organizational level. Despite this similarity, each of the two governance types has its own strengths and weaknesses: alliances are based on contracts and offer the firm a substantial level of flexibility while acquisitions are ownership-based and imply a higher degree of commitment but also control. In the course of the governance decision, tradeoffs have to be made between flexibility and control. The challenge managers have to decide, which of the two governance modes suits a specific situation best and will achieve superior results for the company. Prior research shows that a company's history in inter-organizational governance influences its future governance choices. Firms that have cooperated in an alliance in the past make different governance choices than firms who lack this experience. In general, companies tend to choose governance modes they are already familiar with for future transactions. In addition, whether the partner firms know each other and have worked together before also influences the choice between alliances and acquisitions. This book lays its focus on situations, where companies have allied in the past and are now deciding upon the appropriate governance form for yet another cooperation. Situations where no alliance experience exists and governance choices other than alliances and acquisitions are not considered here. For academics as well as practitioners, it is then of major interest to identify exactly how knowing the target firm from past alliances affects the decision between alliances and acquisitions. However, prior research on the influence of partner-specific alliance experience on governance choice yields mixed results. While it has been proven repeatedly that prior alliance experience with a partner influences the governance choice decision, research has reached a dead end concerning the direction of this effect. The purpose of this research is to contribute to the conversation concerning the effect of partner-specific alliance experience on the choice between alliances and acquisitions and help to close the literature gap by investigating the exact circumstances under which each effects prevails. Financial capacity, market uncertainty and rivalry are chosen as promising moderating variables that are expected to interact with the effect of prior ties and foster the choice for an alliance or an acquisition in a particular situation.

The Silent Partner Juliet Castle 2017-04-11 “This book is about laughter, sorrow, life and Spirit. But most of all, it is about courage – the courage to see where you are on the continuum of your life’s journey.” In this intimate arrangement of emotive short stories, Juliet Castle presents provocative thoughts that challenge the reader’s perspective. Collectively, the stories reveal a deeper understanding of life initially veiled from view. Juliet’s stories portray how the mystery of life is attempting to reach you deep within. They compel the reader to wonder. What is it you are incessantly experiencing through your life’s encounters? What are the forces at work? Who is your Silent Partner? Juliet attempts to reveal the answers to these questions by encouraging the reader to step forward and to see the forces acting behind life’s play. The Silent Partner is a creative literary work that contains many short stories with varying content, context, and style, as well as artistically drawn images. Each of the short stories is intended to lead towards a discovery and has the underlying theme of ‘the Silent Partner’ to connect the individual story to the collection as a whole. Inspired by Shakespeare, the storybooks of Aesop’s Fables, and the Brother’s Grimm, The Silent Partner and Other Stories of Truth plays on words and uses symbolism with poetic placement and style that lends itself towards an enjoyable, yet provoking read. It could be placed alongside Eckhart Tolle, Deepak Chopra, and Paul Coelho in the category of Spirituality.

Stop met snurken Alex Adams 2018-03-05 Goedkope dan relatietherapie! Snurken is irritant voor je partner maar ook ongezonder voor jezelf. In Stop met snurken beschrijft Mike Dilkes, KNO-arts in Londen, waardoor snurken komt en waarom je er iets aan moet doen. Niet door een operatie, ventilatieapparaat of omslachtige tandapparatuur, maar door middel van simpele oefeningen die maar 5 minuten duren: en het fijnste ervan? Je kunt ze op een comfortabele manier in je eigen huis doen. Als jij of je partner snurkt en/of een slaappaauw of een gebrek aan rustige slaap heeft, kan dat snel een zorg worden. Een goede nachtrust zorgt er namelijk niet alleen voor dat je lichamelijk en geestelijk uitgerust bent, het zorgt ook voor een goede gezondheid. Personen die iedere nacht hard snurken, worden vaak moe wakker, hebben hoofdpijn, zijn prikkelbaar en hebben een hogere bloeddruk. Problemen die minder zullen worden als het snurken aangepakt wordt. Mike Dilkes is al dertig jaar gezaghebbend KNO-arts in Londen. Hij heeft door zijn decennialange ervaring een methode ontwikkeld waardoor zware snurkers het snurken met simpele oefeningen sterk kunnen verminderen en lichte snurkers er soms zelfs wel helemaal vanaf kunnen komen. Met wetenschappelijke onderbouwing die begrijpelijk is opgeschreven door journalist Alex Adam, is dit boek het boek voor een snurk-vrije nacht en een uitgerust ochtend. ‘Voor elke snurker of partner van of behandelaar. Dit boek is een must en zou iedereen aangeraden moeten worden’. – Simon op Amazon.co.uk ‘Goed geschreven en informatief, dan relatietherapie! Mijn partner is er blij mee. De methodes worden helder uitgelegd. Je ziet er misschien een beetje gek uit maar de oefeningen werken!’ Edd op Amazon.co.uk ‘Geweldig, begrijpelijk boek. Het beste boek over dit onderwerp.’ Rich H op Amazon.co.uk ‘Voor elke snurker of partner van of behandelaar. Dit boek is een must en zou iedereen aangeraden moeten worden.’ Simon op Amazon.co.uk

Partner V. P. Kale 1976 “BY WHAT NAME SHOULD I CALL YOU? ‘PARTNER’, ACTUALLY WE HAVE NO NAME; THE NAME WHICH WE DISPLAY AS OUR OWN IS GIVEN TO THE BODY, NOT TO THE SOUL. A YOUNG LADY IS LIKE A COOL BREEZE; WHICH LINGERS AROUND US, TOUCHES US, GIVES US PLEASURE BUT WHICH CANNOT BE HOLD. WHAT IS HELL? IT IS THE COMPANY OF A THIRD PERSON MOST UNDESIRED. JUST REMEMBER FRIEND, BECAUSE YOU NEED ME, I TOO NEED YOU. AS YOU WRITE MORE AND MORE PERSONAL, IT BECOMES MORE AND MORE UNIVERSAL. ”

Pop Partners Teacher's Handbook: 10 Tremendous Partner Songs for Young Singers 2009-05 What a great way to bridge the gap from unison to 2-part singing. There's nothing more fun than singing a partner song! This tremendous collection features well-known songs that will never go out of style, reproducible song sheets, and easy-to teach staging suggestions. Recommended for grades 2--7. Appropriate staging suggestions included. Reproducible student song sheets included. Titles: All I Want for Christmas Is My Two Front Teeth * Bye Bye Blackbird * Frosty the Snowman * Jingle Bell Rock * Shake, Rattle and Roll * Singin' in the Rain * Splish, Splash * Strike Up the Band! * Toot Toot Tootsie (Goo'bye) * When You're Smiling.

The Complete Collaborator Martin Katz 2009 Take more than forty years of partnering celebrated soloists in concerts all over the world, add nearly thirty years of teaching the art of accompanying, and you have the qualifications for such an audacious title as The Complete Collaborator. All the tools for understanding and executing first-class collaborative piano are here, paired with audio recordings of many of the musical examples performed by the author himself, along with two vocalists, on a companion website. The obvious topics: breathing, languages, flexibility, and creating a collaborative atmosphere are discussed at length, articulated clearly for the curious novice and proving beneficial even for the experienced professional. In addition, two significant chapters deal with orchestral accompaniment, reflecting today's requirements for any professional accompanist. Oft-neglected details such as beginning a piece together, telling stories with piano solos, tuning, and balance between the players are also covered herein. Dubbed the "Dean of Accompanists" by the Los Angeles Times, this teacher of sold-out masters' classes presents his material clearly and incisively, but always with the humor and wit for which he is known. Whether it be read by the curious novice, the amateur who wants to accompany as best he can, or the experienced professional seeking confirmation or a new look at the role of any partner, Martin Katz's The Complete Collaborator is all one needs.

Partner Workouts Krista Popowych 2021-10-15 "Partner Workouts introduces partner exercises to those who want to incorporate them into their daily exercise routines. The book is divided into three parts. Part I discusses the benefits of partner training, key fitness components, the foundations of training, and how to make partner workouts successful. Part II includes a library of partner exercises. Part III provides sample training workouts. The appendices of the book offer tips and suggestions for personal trainers"---

Mijn partner raakt de weg kwijt Jessie van Loon 2006 Partners van mensen met dementie vertellen in dit boek over hun ervaringen, emoties en de manier en waarop zij met hun dementerende man of vrouw omgaan. Ook zijn in het boek enige tips opgenomen over hoe je het beste om kunt gaan met dementerende personen en wordt ingegaan op mogelijke oorzaken van dementie.

Help, mijn partner heeft een psychose! Stef Linsen 2016 Voorlichting, informatie en adviezen aan partners en andere mantelzorgers van patiënten met een psychose.

Sex Addiction: The Partner's Perspective Paula Hall 2015-08-20 Sex and pornography addiction are growing problems that devastate the lives of partners as well as sufferers. Sex Addiction: The Partner's Perspective has been written to help partners and those who care about them to survive the shock of discovering their partner is a sex addict and to help them make decisions about the future of their relationships and their lives. First and foremost, it is a practical book, full of facts, and self help exercises to give partners a much needed sense of stability and control. Like its sister book, Understanding and Treating Sex Addiction, it includes case examples and survey results revealing the reality of life for partners of sex addicts. Sex Addiction: The Partner's Perspective is divided into three parts. Part I explores the myths surrounding sex addiction and provides up to date information about what sex addiction is and what causes it before moving on to explain why the discovery hurts partners so much. Part II is about partners' needs and includes self-help exercises and strategies to help partners regain stability, rebuild self-esteem and consider their future. The controversial topic of co-dependency is also explored with guidance on how to identify it, avoid it and overcome it. Part III focuses on the couple relationship starting with the difficult decision of whether to stay or leave. Whatever the decision, partners will then find help and support for rebuilding trust and reclaiming their sexuality. This book has been written to help partners not only survive, but to grow stronger and move on with their lives - whether alone, or in their relationship. Readers will find revealing statistics and real life stories shared by partners who kindly took part in the first UK survey of sex addiction partners. This book will this book be a valuable guide for partners, but also for the therapists who seek to support them on their journey of recovery.

Als je partner Asperger-syndroom heeft Maxine C. Aston 2008

Social Work and Intimate Partner Violence Mary Allen 2013-03-05 Intimate partner violence is now recognised as a serious human rights abuse and increasingly as an important public health problem with severe consequences for women's physical, mental and sexual health. Therefore, a comprehensive understanding of intimate partner violence is an essential aspect of good-quality social work practice. This is an accessible introduction to the complexities of social work practice with abused women, as well as men. Designed for those new to practice in this area, it outlines and explores some of the key issues from an international perspective, such as the role and responsibilities of a social worker, prevalence rates and research around causes and consequences. It includes chapters on working with women with additional vulnerabilities, working with perpetrators, impacts on physical and mental health, child protection issues, assessment and intervention strategies, and long-term approaches. Social Work and Intimate Partner Violence is an up-to-date book bringing together all the most important information in the area for social workers, and is essential reading for all students and newly qualified professionals.

When Your Partner Has an Addiction Christopher Kennedy Lawford 2016-10-04 Your partner's addiction takes a toll on both of your lives. That doesn't mean you should turn your back on the person you love. We've been told that staying with a partner who struggles with addiction-whether it be with drugs, alcohol, or addictive behaviors-means that we're enabling their destructive behavior. That wanting to help them means we're codependent, and that the best thing for both of us is to walk away from the relationship entirely. But is that true? When Your Partner Has an Addiction challenges the idea that the best chance for recovery-for the addict and their partner-is to walk away. Instead, it makes the revolutionary claim that you, and the love you have for your partner, can be a key part of his or her journey to recovery. Together, addiction activist and bestselling author Christopher Kennedy Lawford and psychotherapist Beverly Engel, MFT, take a fresh look at addiction and codependency-the latest research on what causes them and what the two have in common. Rather than treat addiction or codependency as disease or weakness, When Your Partner Has an Addiction honors the trauma and shame that often lie at their source and shows you how to use your love to combat that shame, allowing you to more effectively support your partner and heal yourself. The research proves that, while you cannot "fix" your partner, you can have a positive impact on their recovery. Whether you suffer from codependency, and whether your partner is already in recovery, When Your Partner Has an Addiction provides you with proven techniques and strategies to drastically improve your relationship and help get your partner the help he needs-without leaving and while taking care of yourself in the process.

Over de therapie bij eclampsie voor den partner Arie Geyl 1896

Community as Partner Elizabeth T. Anderson 2010-09-22 "This user-friendly text is presented as a handbook for students and practicing nurses who work with communities to promote health. Community as Partner focuses on the essentials of practice with the community. Students will find this text helpful for the many examples of working with the community as partner. For over 20 years and five editions, this textbook has served undergraduate, RN to BS, and RN to MS students and graduate students alike as a framework for professional nursing practice in the community. Our intention is to keep the text basic and accessible to all who practice in the community. Using this text with distance education and virtual learning with internet resources will enrich practice in any community. This sixth edition continues the philosophy of the authors by strengthening the theoretical base with new chapters on globalization and rural health. All other chapters have been revised and updated from the fifth edition. We continue with a series of chapters that takes the reader through the entire nursing process by using a real-life community as our example. The urban example is enhanced and expanded throughout the remainder of the book by selected aggregates which serve as exemplars of working with the community as partner as well. " --Provided by publisher.

Preventing Intimate Partner Violence in Uganda, Kenya, and Tanzania National Research Council 2015-07-24 Globally, between 15-71 percent of women will experience physical and/or sexual abuse from an intimate partner at some point in their lifetime. Too often this preventable form of violence is repetitive in nature, occurring at multiple points across the lifespan. The prevalence of intimate partner violence is on the higher end of this spectrum in East Africa, with in-country demographic and health surveys indicating that approximately half of all women between the ages of 15-49 in Uganda, Kenya, and Tanzania having experienced physical or sexual abuse within a partnership. It is now widely accepted that preventing intimate partner violence is possible and can be achieved through a greater understanding of the problem; its risk and protective factors; and effective evidence-informed primary, secondary, and tertiary prevention. To that end, on August 11-12, 2014, the Institute of Medicine's Forum on Global Violence Prevention, in a collaborative partnership with the Uganda National Academy of Sciences, convened a workshop focused on informing and creating synergies within a diverse community of researchers, health workers, and decision makers committed to promoting intimate partner violence-prevention efforts that are innovative, evidence-based, and crosscutting. This workshop brought together a variety of stakeholders and community workers from Uganda, Kenya, and Tanzania to engage in a meaningful, multidirectional dialogue regarding intimate partner violence in the region. Preventing Intimate Partner Violence in Uganda, Kenya, and Tanzania summarizes the presentations and discussion of the workshop.

Doreca partner Allegro INN-ovations (Amsterdam) 2001

De agrarische vroege woord partner Rentia Krijnen-Hendrikk 1988

Partner to the Poor Paul Farmer 2010-04-21 For nearly thirty years, anthropologist and physician Paul Farmer has traveled to some of the most impoverished places on earth to bring comfort and the best possible medical care to the poorest of the poor. Driven by his stated intent to "make human rights substantial," Farmer has treated patients—and worked to address the root causes of their disease—in Haiti, Boston, Peru, Rwanda, and elsewhere in the developing world. In 1987, with several colleagues, he founded Partners In Health to provide a preferential option for the poor in health care. Throughout his career, Farmer has written eloquently and extensively on these efforts. Partner to the Poor collects his writings from 1988 to 2009 on anthropology, epidemiology, health care for the global poor, and international public health policy, providing a broad overview of his work. It illuminates the depth and impact of Farmer's contributions and demonstrates how, over time, this unassuming and dedicated doctor has fundamentally changed the way we think about health, international aid, and social justice. A portion of the proceeds from the sale of this book will be donated to Partners In Health.
