Improving Banking Supervision D. Mayes 2001-05-22 *Improving Banking Supervision* shows how greater market discipline can be used to help improve the quality of banks and their management in a world of increasing complexity, size and innovation. The book is based on research undertaken in the Nordic countries and New Zealand, and set in an international context through reference and comparison to the experiences of banks throughout the EU and the US. The authors show how traditional methods of regulation, particularly across borders face limits and can impose substantial costs on customers. They propose alternatives for today's international banks, based on a network of incentives to prudential behaviour and focusing on three main issues: - the development of transparent corporate structures - the public disclosure of comparable meaningful information so that markets can assess banks - the implementation of effective means to allow banks to exit without unacceptable costs to society

Energy: a Continuing Bibliography with Indexes 1976

Scientific and Technical Aerospace Reports 1994 Lists citations with abstracts for aerospace related reports obtained from world wide sources and announces documents that have recently been entered into the NASA Scientific and Technical Information Database.

Diep werk Cal Newport 2016-03-22 In 'Diep werk' wijst Cal Newport op de noodzaak van geconcentreerd werken om maximaal te kunnen presteren, een vaardigheid die we langzaam zijn kwijtgeraakt. Newport gebruikte de term 'diep werk' voor het eerst op zijn populaire blog. Hij raakte een zenuw: Newport's artikelen over dit onderwerp werden honderdduizenden keren gelezen en overgenomen. De meeste mensen laten zich gemakkelijk onderbreken en besteden een groot deel van de dag aan oppervlakkige werkzaamheden. Dit boek bevat talloze inspirerende verhalen en praktische adviezen over hoe je je werk anders kunt organiseren om diep werk een vaste plek te geven. Want alleen door iets met volle aandacht te doen, ontwikkel je je denkkracht en bereik je meer in minder tijd.

Senior employees and major shareholders are named. Seven indices give unrivalled access to the information.

Annual Fiscal Report Wisconsin 1977

Veertien Dean R. Koontz 2011-01-14 Zal zijn zoon het volgende slachtoffer zijn? John Calvino, een vierendertigjarige politierechercheur, ondervraagt een puber die in een psychiatrische kliniek zit. De veertienjarige jongen heeft een meervoudige moord op zijn geweten en geeft dat op naargeestige wijze toe. De hele zaak is een echo uit Johns verleden. Twintig jaar geleden, toen John zelf veertien jaar was, werd zijn familie uitgemoord en John ontsnapte ternauwernood aan de dood door de seriemoordenaar neer te schieten. De misdaden in heden en verleden lijken met elkaar verbonden. Langzaam bekruipt John het angstige voorgevoel dat zijn gezin gevaar loopt. Hij zal het moeten opnemen tegen een moordenaar die zal toeslaan op de veertiende verjaardag van zijn eigen zoon...
