Technologies and Approaches to Reducing the Fuel Consumption of Medium- and Heavy-Duty Vehicles National Research Council 2010-08-30 Technologies and Approaches to Reducing the Fuel Consumption of Medium- and Heavy-Duty Vehicles evaluates various technologies and methods that could improve the fuel economy of medium- and heavy-duty vehicles, such as tractor-trailers, transit buses, and work trucks. The book also recommends approaches that federal agencies could use to regulate these vehicles' fuel consumption. Currently there are no fuel consumption standards for such vehicles, which account for about 26 percent of the transportation fuel used in the U.S. The miles-per-gallon measure used to regulate the fuel economy of passenger cars. is not appropriate for medium- and heavy-duty vehicles, which are designed above all to carry loads efficiently. Instead, any regulation of medium- and heavy-duty vehicles should use a metric that reflects the efficiency with which a vehicle moves goods or passengers, such as gallons per ton-mile, a unit that reflects the amount of fuel a vehicle would use to carry a ton of goods one mile. This is called load-specific fuel consumption (LSFC). The book estimates the improvements that various technologies could achieve over the next decade in seven vehicle types. For example, using advanced diesel engines in tractor-trailers could lower their fuel consumption by up to 20 percent by 2020, and improved aerodynamics could yield an 11 percent reduction. Hybrid powertrains could lower the fuel consumption of vehicles that stop frequently, such as garbage trucks and transit buses, by as much 35 percent in the same time frame.

Lovingkindness Sharon Salzberg 2020-02-04 Throughout our lives we long to love ourselves more deeply and find a greater sense of connection with others. Our fear of intimacy—both with others and with ourselves—creates feelings of pain and longing. But these feelings can also awaken in us the desire for freedom and the willingness to take up the spiritual path. In this inspiring book, longtime meditation practitioner and teacher Sharon Salzberg shows how the Buddhist path can help us discover the radiant, joyful heart within each one of us, drawing on Buddhist teachings, wisdom from various traditions, her personal experiences, and guided meditation exercises. With these tools, she teaches how the practice of lovingkindness can illuminate a path to cultivating love, compassion, sympathetic joy, and equanimity—the four “heavenly abodes” of traditional Buddhism.

Shuggie Bain Douglas Stuart 2021-01-26 Winnaar van de Booker Prize 2020 - Meer dan 50.000 exx verkocht in Nederland! Hugh 'Shuggie' Bain brengt in de jaren tachtig zijn jeugd door in een vervallen sociale huurwoning in Glasgow. Agnes, zijn moeder, is alles voor Shuggie. Zij behoudt haar trots door er altijd goed uit te zien. Toch zoekt ze steeds vaker troost in drank. Shuggie probeert intussen uit alle macht normaal te zijn, ook al ziet iedereen dat hij 'anders' is dan de andere jongens. Agnes steunt haar zoon, maar haar verslaving begint alles te overschaduwen, zelfs de liefde voor haar Shuggie. 'Prachtig! Ik ga dit aan iedereen cadeau doen.' Paul de Leeuw 'Een van de mooiste boeken die ik in mijn leven gelezen heb.' Carolien Borgers 'Shuggie Bain toont vooral hoe armoede mensen elk perspectief op een beter leven kan ontnemen. En toch gloort altijd ergens hoop aan de horizon en is de onbaatzuchtige liefde van een kind voor zijn moeder vaak het enige dat overeind blijft. Shuggie Bain verdient alle lof. *****' Nieuwsblad 'Hij is haar laatste splintertje hoop, zij is de stralende zon van zijn universum. Tot ze implodeert: Shuggie Bain schetst een schrijnend portret van een moeder en een zoon en van vernietigende armoede.' De Standaard 'Het debuut dat leest als een meesterwerk.' Washington Post 'Dit boek vervult je met verbijstering en verwondering.' The New York Times Book Review 'Deze roman breekt je hart, en is even meedogenloos als prachtig.' The Times

Gelukkig ben ik niet de enige Brené Brown 2014-04-30 De zoektocht naar perfectie is vermoeiend en meedogenloos. We worden constant opgejaagd door sociale verwachtingen die ons leren dat imperfect zijn synoniem is aan niet goed genoeg zijn. Overal wordt ons verteld wie, wat en hoe we moeten zijn. Hierdoor laten we niet zien waar we mee worstelen en beschermen we onszelf tegen schaamte, oordelen, kritiek en verwijten door te doen alsof we het allemaal perfect voor elkaar hebben. Op basis van haar jarenlange onderzoek en honderden interviews komt Brené Brown in Gelukkig ben ik niet de enige met een belangrijke waarheid: we zijn juist met elkaar verbonden door onze onvolmaaktheden. Kwetsbaarheid is geen zwakte, maar een reminder om ons hart en verstand open te houden voor de realiteit dat we allemaal in hetzelfde schuitje zitten.
