Street-Level Architecture Conrad Kickert 2022-08-09 This book provides the tools to maintain and rebuild the interaction between architecture and public space. Despite the best intentions of designers and planners, interactive frontages have dwindled over the past century in Europe and North America. This book demonstrates why even our best intentions for interactive frontages are currently unable to turn a swelling tide of economic and technological evolution, land consolidation, introversion, stratification, and contagious decline. It uses these lessons to offer concrete locational, programming, design, and management strategies to maximize street-level interaction and trust between street-level architecture, its inhabitants, and the city. This book demonstrates that designers, developers, planners, and managers ultimately have to create the right preconditions for inhabitants and passersby to bring frontages to life. These preconditions connect architecture to its urban, social, economical, and technological context. Only the right frontage in the right context, with the right design, the right inhabitation, and the right attitude to the city will become part of the ecosystem of trust and interaction that supports public life. This book empowers the many participants in this ecosystem to build, inhabit, and enjoy truly urbane architecture.

Goud voor het leven Robyn Carr 2015-12-08 Grace Dillon, voormalig olympisch kunstschaatster, houdt zich onder een andere naam schuil in Thunder Point, waar ze een goedlopend bloemenwinkeltje runt. Ze is al jaren heimelijk verliefd op Troy Headly, maar hij ziet haar vooral als goede vriendin. Wanneer ze op een avond aan hem opbiecht dat ze vrijwel geen ervaring heeft met mannen, biedt hij haar zijn diensten als 'ontspanningscoach' aan. De afspraak is dat ze samen leuke dingen gaan doen, en dat hij haar voorzichtig kennis laat maken met de liefde. Al vanaf de eerste kus is duidelijk dat ze het op alle fronten goed met elkaar kunnen vinden, en langzaam groeit er iets moois tussen de twee. Maar dan krijgt Grace een onaangename verrassing uit het verleden, waardoor ze gedwongen wordt te onthullen wie ze werkelijk is...

Kinderen van de rivier Lisa Wingate 2018-01-08 Aangrijpende New York Times bestseller, gebaseerd op een waargebeurd verhaal over een weeshuis. 'Kinderen van de rivier' van Lisa Wingate begint in het Memphis van 1939. De twaalfjarige Rill leidt met haar broertje en zusjes een zorgeloos leven op een woonboot aan de Mississippi. Dan slaat het noodlot toe: de kinderen worden ontvoerd en komen terecht in een weeshuis. Daar zijn ze overgeleverd aan de grillen van een wrede directrice. De jonge Rill doet er alles aan om haar broertje en zusjes bij elkaar te houden. In het South Carolina van nu leidt de rijke Avery Stafford een geweldig leven. Een toevallige ontmoeting dwingt haar om haar familiegeschiedenis onder de loep te nemen, er blijkt meer verzwegen te zijn dan ze ooit had kunnen vermoeden. 'Kinderen van de rivier' van Lisa Wingate is gebaseerd op het waargebeurde verhaal van weeshuisdirecteur Georgia Tann, die kinderen uit arme gezinnen ontvoerde en verkocht aan rijke families. 'Dit boek mag je niet missen.' – The Huffington Post
